

Teacher MiniGrant Application Form

Jenkintown Home & School Association (HSA)

Jenkintown HSA has funding set aside for teachers and guidance staff to use to buy classroom materials that will enhance students' educational experiences (e.g. science kits, digital camera, educational posters). Teachers may submit an application independently for materials for their own classrooms, or groups of teachers may submit an application for an item that will benefit many teachers (e.g. a new computer on wheels). This form may also be used for requests for special speakers/program events for students. Any questions? Please contact Louisa Garrido, HSA President, at hsapresident@jenkintown.org.

Please fill out the first two sections of the form, and then give the form to the appropriate principal, who will approve or disapprove the request. If the principal approves the request, HSA will review the request, and determine the amount of funding that will be allocated.
